It is our pleasure to present to you the DMC Collection 2023, a portfolio of DMCs selected by Ria Mooijaart & Partners for their extraordinary reputation of organising successful events and travel experiences in their respective destinations.

All our DMC partners are screened for quality purposes to guarantee you a fully professional, well-established, financially solid and certified or accredited DMC.

We connect you with The DMC Collection partners, and we act as both a consultancy and an extension of all teams involved in each project. It means that our services do not involve extra costs for you.

We are convinced that no matter how good or wise we all are, a DMC always knows the best-kept secrets in the destinations they stand for. The DMC continuously listens to locals, initiates partnerships, engages in sustainable initiatives and determines beneficial and relevant topics in your client's field.

Our DMCs are passionate about their country, the history and the authenticity which they brilliantly weave into their programs, so that the end result will be a true exceptional and unique experience anywhere in the world.

Feel free to contact us to brainstorm or exchange knowledge and we will advise and connect you with the DMC Collection partner(s) for your project.

All of the DMC Collection members are also specialised in the organisation of unique, tailor-made travel programs for the discerning individual traveller. This could be a once-in-a-lifetime holiday, a romantic honeymoon, the ultimate family holiday or a special interest group tour.
